The Legal Intelligencer's Annual Best of 2015 survey is now available only until this Friday, August 21st! Click on this link to [Vote for the Best of 2015](#). Please vote for ADR Options and your favorite mediator. We are grateful for your past support and your continued business. Your votes have kept ADR Options as one of the BEST ADR Companies since *The Legal Intelligencer* started the survey 6 years ago.

Judge Abraham Gafni's latest article is published today in *The Legal Intelligencer*. It is the second part of ["Rights and Obligations of Nonsignatories in Arbitration"](#). This is a must read for anyone involved in arbitrations.

In addition, we have expanded our York County panel. [Jack Hartman, Esquire](#), who has been on our panel since 2005, has relocated to York. He is joined by [Retired Judge John Uhler](#). Our Central Pennsylvania Panel now includes [Cynthia Ranck Person, Esquire](#), who specializes in Family Law matters as well as Personal Injury, Product Liability and Construction. Along with [Bob Seiferth, Esquire](#) in Williamsport, Cindy is available to serve Retired Judge Raup's clients. The addition of Ms. Person, expands ADR Options services and geographical area. Cindy has extensive experience in all Family Law matters and will also handle cases in South Carolina. As with everyone on our panel, she is willing to travel to accommodate clients' needs.

You will notice when choosing the above mediators as well as most of our neutrals who are based outside Philadelphia, that we have

implemented a lower hourly rate. This is established to better serve your clients who are based in Delaware County as well as Northeast and Central Pennsylvania.

We wish you a happy and healthy remainder of the summer and look forward to serving your ADR needs in the near future.
