## **What do attorneys say about our panel?**

*"All civil cases should be handled as efficiently and as effectively as those which are handled by ADR Options and its mediators/arbitrators." - Kalman Law*

**"Judge Wallitsch always does an excellent job. He knows the case and has the perfect demeanor for the job. He makes a difference in the settlement process. " - Noel & Kovacs, P.C.**

"Pete Ricchuiti is one of my favorite arbitrators. He is usually successful for me or gets us on the track and he gets to the bottom line much much faster than many others." - *Bennett Bricklin & Saltzburg LLC*

"Phil Hof did an excellent job of exploring and vetting each side's position. This was actually the first private mediation I have worked on and I can say without any hesitation that he set the bar extremely high for how I will expect future private mediations to proceed."  
- *Freedman & Lorry, P.C.*

"I think that Judge Gafni was fair. I think it was great that the parties did not have to expend the time, fees and costs for four day jury trial. I do not think that the result would have been different." - *Nicholson Law*

Judge Wallitsch demonstrated a complete and unbiased understanding of the case from the materials submitted by all parties prior to the arbitration. This has been my experience with Judge Wallitsch in the multiple cases I have had before him in mediation and arbitration." -  
*The Perry Law Firm*

"Judge Ford was absolutely wonderful. This was a complicated case with many parties and many insurance representatives. Judge Ford worked very hard (until 7 p.m.) to assist the parties in reaching a settlement. I would use him again in a heartbeat." -  
*Marshall Dennehey Warner Coleman & Goggin*

"Judge Van Jura did a masterful job in getting a very contentious matter resolved. He was prepared, professional and obviously, very persuasive. This was the first time that opposing counsel had utilized Judge Van Jura as a mediator. She reported to me that she was very impressed with Judge Van Jura's effectiveness as a mediator." - *Scanlon, Howley & Doherty, P.C.*

"The panelists at ADR Options are unique in their ability to remember that while they are presiding over a matter as though they were a judge, I am nevertheless their paying client. They treat the litigants with what to me seems like far more respect than I get from any other ADR company. Especially including the big one. And while an arbitrator also has to be firm and not let the litigants be the tail wagging the dog, the ADR panelists always seem to be able to do it in a way that you feel fairly treated. Dom Sbrocchi is a relatively new panelist and is tremendous. I have already used him twice. And will do so again. Bravo." - *White and Williams*

"This complex employment case could not have settled without the input of Judge Wallitsch, who was highly effective as a facilitator. Although the parties agreed to a settlement at mediation, they haven't finalized the written settlement agreement due to issues relating to a few non-monetary terms. Judge Wallitsch has graciously offered to assist in achieving a final resolution and to stay on top of the case if necessary following the mediation, and his willingness to help finalize the deal is greatly appreciated by me and my client. Thus, my 5 star rating." - *Sidkoff, Pincus & Green*

"Judge Gafni knew the case very well. He had a great feeling for the potential value and settlement range. It was a very easy going and friendly process. My clients thought very highly of Judge Gafni." - *The Feinberg Firm*

"Phil Hof is one the very best mediators I've ever worked with" - *Margolis Edelstein*

"Judge Ford was completely fair, totally impartial, straight forward, compassionate to our clients, and honest in his assessments. He worked very hard under difficult circumstances." -  
*Law Offices of Edward P. Shaughnessy*

"First time with Allan Gordon. He was excellent. I was impressed with his knowledge of the facts and his willingness not to give up the process even though the case was clearly not going to settle. I was also impressed with Allan's willingness to listen to our side of things and to appreciate what we brought to the table."  
 - *Pansini & Mezrow*
