"Understanding the Insurance Company: Pre-Suit" A Lunch and Learn CLE

Jill Snyder, Esq.

The [Bar Association of Lehigh County](#) is presenting a Lunch Seminar on Wednesday, May 8th, 2019. Mediator and Attorney Jill Snyder, will outline an insurance company's approach to new cases. From her unique perspective, Jill will discuss the insurance company's investigation process of a new suit: facts, numbers and 'other facts'. What is the hierarchy within the company? Who is handling the case? Is it a claims specialist or an attorney negotiator?

The [CLE](#) will cover topics including early negotiations from demand to timing to value. She will discuss time limit demands and how age affects the outcome of the case. This session is the first of a two part series.

Attorney Jill Snyder is an accomplished trial attorney. Her experience includes private practice, corporate executive, business development and education. She has litigated cases to trial and arbitration, has multi-county experience and has established relationships with bench, bar and claims partners.

Jill's experience with Nationwide puts her in the unique position of understanding the insurance business. For the last 20 years, Jill has reviewed thousands of cases annually for decisions on both liability and damages. That insight combined with her work as both a plaintiff's personal injury attorney and defense counsel, provides her with insider knowledge of both sides. This gives her a clear advantage as a mediator in settling cases.
